Webinar On Prior Art Searching Tips for various Databases

Date: July 28, 2018
Time: 03:00 pm to 04:00 pm IST

About Webinar:

This is a free webinar with primary focus on discussion related to tips and techniques for evaluating and determining a prior art. To perform a prior art search requires preparing a search strategy using relevant keywords, preparing queries and executing the queries on multiple available search databases. Various aspects such as classification search, assignee search, inventor search, and keyword search would be covered in the webinar. We would also be clearing all the doubts post-webinar.
